UnitedTile
INSPIRE · CREATE · ELEVATE

Curated from the best-selling colors in our Plank collection, this flooring series brings together some of our most-loved looks with the performance today's spaces demand. Authentic wood visuals, realistic texture, and board variations featuring up to 20 unique faces create the natural character and depth of real hardwood. Complete with an attached acoustic underlay and 100% waterproof construction, it's a collection that looks beautiful and performs effortlessly.
