BALANCED LIVING

Where durability meets thoughtful design

TILE EDIT

Trajectory

Good design starts with materials that know how to perform. This lookbook brings together a small, intentional selection of products chosen for how seamlessly they fit into everyday spaces, from residential to multi-family, earning their place through durability, restraint, and quiet confidence.

Balanced and thoughtful by nature, these tile collections pair long-term performance with a warm, refined feel. Nothing extra, nothing forced. Just a curated collection designed to support how spaces are used, day after day.

SANTANA

BY SONOMA

PREMIUM NATURAL STONE | MICRO FINISH | CHISELD EDGE

New from Sonoma, **Santana** brings a refined, natural limestone presence with its micro-finished surface and chiseled edge, giving interiors a subtle, tactile quality that reads as elevated yet approachable. Versatile sizing, and light to medium duty floor and wall suitability make it easy for designers to integrate into projects where texture and warmth matter.

VARANA STONE

BY PROVENZA

CROSS CUT STONE LOOK | SOFT, HONED FINISH | NATURAL VEINING

Designed with versatility in mind, **Varana Stone** offers the look of refined stone with the reliability needed for everyday use. The collection features a split-stone chevron motif with a subtle three-dimensional effect, suitable for floor or wall applications. A complimentary field tile in 24x48 and coordinating 2x2 mosaic completes the series for added design flexibility.
