Nord collection

The intricacy and beauty of slate has been captured in this color body porcelain tile. It incorporates the multilayered look and texture of slate while ensuring that its ridge and shadow details flow naturally through the varied faces of the design. This gives the collection a three dimensional look that must be seen live to be truly appreciated. The richness of this collection fits well within a wide variety of designs and spaces.

Colors at a glance

Ultra-realistic graphics in a neutral color palette.
Nord's porcelain tiles have been manufactured with state-of-the-art scanning, resulting in an incredible reinterpretation of natural slate.

The Anatolia difference
Unmatched elegance and unparalleled perfection.

Anatolia reinvents shapes and design compositions through refined color pallettes, innovative graphical refinements and creative reinterpretations of traditional, cultural and trend led inspirations. Meticulous care is taken to enhance a product's formation through graphical and technical improvements at every step of the development and execution process. This leads to the most exquisite and discerning tile collections.

Technical Performance

Avant-garde design and attention to detail.

The goal of Anatolia's design department was to create the utmost elegant and sophisticated product, a perfect blend of functionality and style. New technical aspects, innovative shapes, and a new color palette were designed to represent the vibrant and lively nature of metropolitan city life, inspired by its culture and history.
