

MORE BY EDIMAX

UnitedTile
TILE | STONE | GLASS | WOOD

MORE is inspired by an exclusive blend of Brazilian, Indian and South African slates. The interpretation of these extraordinary stones was done by mixing multiple graphics, shades of color and different structures. The digital technology creates numerous distinctive graphics in addition to dimensional texture, allowing this collection to have an extremely realistic stone look.

Stocked Colors & Sizes

Colors:

- Milk
- Nut
- Sage
- Sunset

Sizes:

- 12"x24" Field
- 12"x12" Field
- 2"x2" Mosaic (on 12x12 sheet)
- Hexagon Mosaic (on 12x13 sheet)

Characteristics & Technical Info

Thickness: 10 mm

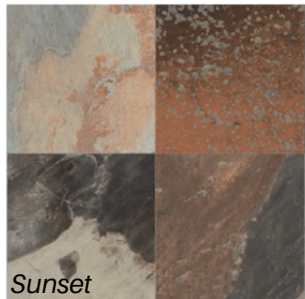

Shade Variation: V4

DCOF: > 0.42

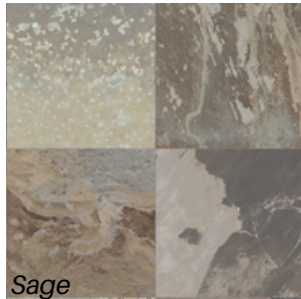

Origin: Italy

Water Absorption: < 0.5%

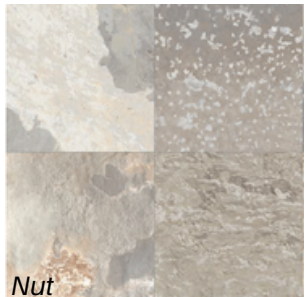

Frost Resistance: Resistant
