

COUNTRY by Equipe **WALL TILE**

COUNTRY is a new white-body wall tile series from Spanish manufacturer Equipe. In response to numerous designer requests for some variation on the standard 3 x 6 subway tile, it comes in two appealing sizes - 2-1/2 x 8 and 5 x 16. The beautiful color palette and deep glazes are fired onto a gently undulating body, creating the appearance of a handcrafted tile, but at a price that will appeal to a wide range of budgets. We again requested the versatile Jolly (thin quarter round) liner that has been so popular with other of our imported wall tile series.

We are stocking all of the colors shown below in the following sizes:
