

FACTORY by Gazzini

A PORCELAIN TILE FOR ALL SURFACES

A seemingly utilitarian concrete-look at first glance, the FACTORY series offers a host of nuances and design possibilities unmatched by similar styles on the market. Its troweled surface texture and subtle shade variation perfectly captures the unique character of poured concrete, while the mosaic offering — particularly the water-jet cut, elongated hex of the Citizen Mosaic — elevates this collection to new creative heights.

STOCK COLORS:

White * Grey * Black

STOCK SIZES:

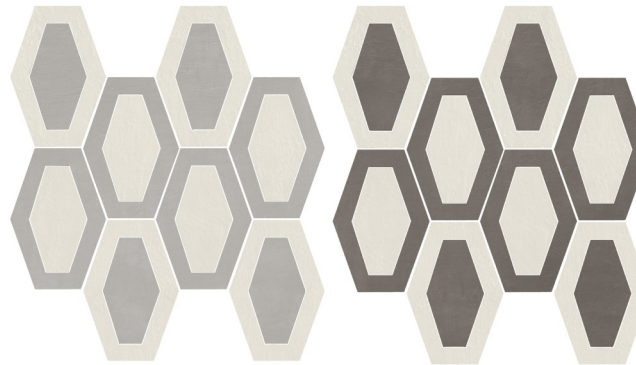

12x24 (rectified)

4x12 (rectified)

3" Hex Mosaic (on 10x12 sheet)

3-7/16" x 5-1/8" Citizen Mosaic* (on 10x10 sheet)
