

ARCHITECH OAK

BY PORTOBELLO

UnitedTile
INSPIRE · CREATE · ELEVATE

Architech Oak draws on a variety of natural wood types, resulting in a unique grain pattern. That grain is brought to life with science—advanced technology that delivers stunning design quality along the grain veins. The result is an attractive, modern wood look that is as inviting to the touch as it is to the eye. For your next project, branch out to the innovative style of Architech Oak.
