

LAB BY PORTOBELLO

UnitedTile
TILE | STONE | GLASS | WOOD

Inspired by the sleek lines and raw beauty of contemporary architecture, the LAB Collection embodies modernity, sophistication, and practicality. With its handcrafted concrete look and feel, this collection captures the essence of the cosmopolitan urbanite. LAB translates the dynamic energy of city life into a tangible, artistic medium. Available in 4 distinct shades, and three sizes including an impressive 24x48, LAB is tailor-made to elevate every design venture.
