HOW TO ORDER

All orders need to contain the following information to avoid any discrepancies:

- **Item number** for each product ordered.
- **Complete description** of each item, including color.
- **Quantity** (represented in pieces, sheets or boxes).
- Complete shipping instructions.
- **Stocked items** must appear on purchase orders separate from special order items in order to ship in the designated time frame. Refer to page LT-1 for lead times.
- Combined orders will be given the longer lead time.
- Large quantity orders may require additional production time and may be subject to a 50% deposit.

See COMPLETE Ordering information and policies on page GI-1.

Recommended Overage:

We recommend ordering a **minimum of 15% overage** (sometimes more), and **30% overage for large format sizes**. Large format sizes are more prone to breakage in transit, and a percentage of breakage is to be expected. Ordering overage is necessary to accommodate cuts and to avoid add-on orders or delays to your installation. Add on orders are challenging due to the inherent variation from lot to lot. If you have to order more at a later date, it may vary slightly from your original order.

Due to the handmade nature of our products, there WILL be variation from batch to batch and lot to lot.

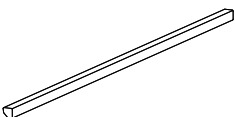

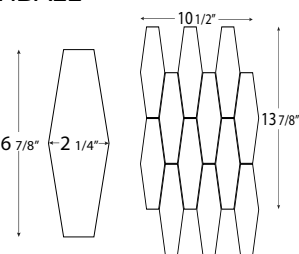

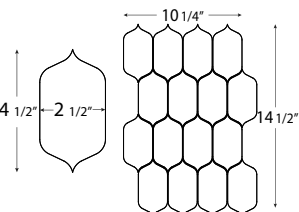

We CANNOT guarantee that additional product ordered at a later date will be an exact match.

Our Pricing:

- ALL items are priced BY THE PIECE/SHEET or BY THE BOX.
- ALL orders will be entered and invoiced using BY THE PIECE/SHEET or BY THE BOX pricing.
- Approximate square foot pricing is provided in our price book as a courtesy.
- We make our best effort to make sure that piece, box and square foot pricing match. In some cases, where the number of pieces per square foot is not round, the square foot pricing may not match.

*The number shown in the variation column represents the amount of color variation that can be expected for each particular glaze color. Variation is rated on a scale of 0 to 5, 0 being little or no variation, and 5 being the greatest variation to expect. Shade variation is inherent in all items due to a number of factors including, but not limited to, hand glazing, clear glazes, relief tiles, glaze lots, and spray weight variation. The degree of shade variation cannot be guaranteed. Use the variation numbering system as a guide only.

Variation in metallic texture and color are natural characteristics on this product. Small imperfections (lines, dots, wrinkles) in the backing may be present and can be visible once installed. These are natural characteristics of the handcrafted process and do not affect the integrity of the tile.

PRODUCT & ORDERING INFORMATION

ORDERING PRODUCTS

All orders need to contain the following information to avoid any discrepancies:

- Euphoria orders must be placed on a separate PO with Euphoria products ONLY.
- Orders must be placed in a 1 square foot minimum.
- All orders will ship from the Euphoria factory in Colorado.
- We recommend ordering a minimum of 15% overage (sometimes more). Ordering overage is necessary to accommodate cuts, avoid add-on orders and delays to installations. A small percentage of breakage in transit should be expected.
- All other Standard Policies apply. For complete information, see the General Information section in price book.

SAMPLING

- In-stock samples in California include:
 - Swatch Cards showing 2 pieces of 2 x 4 or loose 2x4's at a 30% discount.
- Specific color/shape samples can be made to order with 1 square foot minimum. 2-3 week lead time and 30% discount apply. Custom sample orders are produced in Colorado and will ship from Colorado.

Consolidate / "Ship With" Orders

- No consolidations are available.

CANCELLATIONS

- No Cancellations will be accepted after 48 hours on special order product.
- All special order products (including Euphoria) are produced to order and cannot be returned.
- Standard STM policies apply.

TARGET SHIP DATES

- Lead times vary from 4-12 weeks based on current orders in the system and size of order.

*The number shown in the variation column represents the amount of color variation that can be expected for each particular glaze color. Variation is rated on a scale of 0 to 5, 0 being little or no variation, and 5 being the greatest variation to expect. Shade variation is inherent in all items due to a number of factors including, but not limited to, hand glazing, clear glazes, relief tiles, glaze lots, and spray weight variation. The degree of shade variation cannot be guaranteed. Use the variation numbering system as a guide only.

GENERAL INFORMATION

PRODUCT & ORDERING INFORMATION

FOR EUPHORIA SEE PAGE GI-5

ORDERING PRODUCTS

PO REQUIREMENTS

All orders need to contain the following information to avoid any discrepancies:

- **Item number** for each product ordered.
- **Complete description** of each item, including color.
- **Quantity** (represented in pieces, sheets or boxes).
- Complete shipping instructions.
- **Stocked items** must appear on purchase orders separate from special order items in order to ship in the designated time frame. Refer to page LT-1 for lead times.
- Combined orders will be given the longer lead time.

LARGE QUANTITY ORDERS:

- Orders over \$10,000 may require additional production time and are subject to a 50% deposit.
- A signed deposit request form is required prior to production being started.
- We reserve the right to request full payment prior to shipping complete order on a case by case basis.

RECOMMENDED OVERAGE:

We recommend ordering a **minimum of 15% overage** (sometimes more), and **30% overage for large format sizes**. Large format sizes are more prone to breakage in transit, and a percentage of breakage is to be expected. Ordering overage is necessary to accommodate cuts and to avoid add-on orders or delays to your installation. Add on orders are challenging due to the inherent variation from lot to lot. If you have to order more at a later date, it may vary slightly from your original order.

PRICING:

- ALL items are priced BY THE PIECE/SHEET or BY THE BOX.
- ALL orders will be entered and invoiced using BY THE PIECE/SHEET or BY THE BOX pricing.
- Approximate square foot pricing is provided in our price book as a courtesy. We make our best effort to make sure that piece, box and square foot pricing match. In some cases, where the number of pieces per square foot is not round, the square foot pricing may not match.

PACKAGING/HANDLING FEES

Ground orders valued above \$25 will be assessed a \$15 packaging/handling charge. LTL/Truck shipments will be assessed a \$25 pallet fee per pallet.

“WILL ADVISE” ORDERS

- “Will Advise” shipping instructions may cause delays.
- A shipping address must be provided prior to the target ship date.
- **Orders will be shipped to your warehouse or showroom if we have not received an address within 48 hours from the completion date. Storage fees may apply.**

CONSOLIDATE / “SHIP WITH” ORDERS

- We will do our best to accommodate customer requests to consolidate orders for shipment.
- We cannot, however, be held responsible for any additional freight charge on orders that do not ship together.

SAME-DAY SHIP REQUESTS

- To request a same-day shipment, contact your Customer Service Representative and submit a P.O. by 11am PST.
- All same-day requests are handled and approved on a case by case basis when we are able.

ORDER ACKNOWLEDGEMENT

- An Order Acknowledgement is emailed within 24 hours after processing your order. We make every effort to enter all orders during business hours on the day they are received. Any orders received after 3PM PST may be processed the next business day. Upon receipt, please compare your Order Acknowledgement to your purchase order for accuracy.

Due to the custom nature of each order, we will not assume any responsibility for the accuracy of orders that have not been reviewed by you. Silence deems approval. If you have placed an order but have not received our Acknowledgement within 24 hours, please contact our Customer Service Department to verify that we have received the order.

GENERAL INFORMATION

ORDERING PRODUCTS (CONT.)

TARGET SHIP DATES

- The Target Ship Date is a target date only.
- In the production of our handcrafted tiles, we do everything possible to ship orders on time. However, the custom nature of all our manufacturing processes may result in occasional delay on orders.
- Please add an appropriate buffer period when quoting delivery dates for your customer.
- We recommend you do not schedule installation until you are in receipt of the entire order.

Sonoma Tilemakers will not pay any rush freight charges for orders that are shipped after the target ship date.

In stock items are intended to ship in a short time frame. However, limited quantities are kept in inventory, so orders for large quantities may require additional time. Please review your order acknowledgement for target ship date.

Orders for stocked items must appear on purchase orders separate from special order items, in order to ship in the designated time frame.

SAMPLE ORDERS

- Loose samples are offered at a 30% discount off wholesale in all product lines.

CHANGES/CANCELLATIONS/RETURNS

CANCELLATIONS/CHANGES

- No cancellations/changes will be accepted on products with 24-48 hour Lead-times. Cancellations/Changes will be accepted within 48 hours on special order products. This time frame begins from receipt of your order. Requests beyond these time frames cannot be guaranteed and may incur additional charges if request can be accommodated.
- An order, which has been approved for cancellation/changes, may be subjected to a 25% restocking fee if it is for stocked materials and the order has already been pulled.

SHIPPING CHANGES

All changes must be made in writing. Email any changes to your customer service representative.

RETURNS/RESTOCKING FEE

- All special order products are produced to order and cannot be returned.
- Stocked items are returnable within 45 days from ship date (subject to approval). A 25% restock fee will be applied, credit will be issued only on tiles in saleable condition. A Return Authorization number must be clearly marked on the outside of the box(es).
- In cases where Sonoma Tilemakers is clearly at fault, we will pay return freight. Shipping instructions will be included with the Return Authorization.

ADD-ONS

- **Due to the handmade nature of our products, there will be variation from batch to batch and lot to lot Sonoma Tilemakers DOES NOT guarantee color match on add-on orders!**
- Whenever possible, Sonoma Tilemakers attempts to ship add-ons sooner than standard lead-times.
- Add-on orders must be clearly identified on your purchase order, and should reference your original purchase order number in order to receive shorter lead times.

GENERAL INFORMATION

SHIPPING INFORMATION

SHIPMENTS

All shipments by commercial carriers shall be boxed, or placed on pallets, under approved methods. Our responsibility for a shipment ends when the carrier accepts the shipment. For delays, damages, or loss in transit, all claims should be made directly to the transportation company. All claims related to breakage and lost shipment must be made in writing to the Transportation Company within five days of receipt of merchandise. All claims related to defects or short shipments must be made in writing to Sonoma Tilemakers within five days of receipt of merchandise.

FOB/FACTORY

Ownership of all material is transferred to the customer as soon as it leaves the factory.

LTL TRUCK SHIPMENTS

All orders whose weight is greater than 150 pounds must ship palletized and be delivered via truck. Specify your preferred carrier and if charges should be collect, 3PB or prepaid on Sonoma Tilemakers program.

Special shipping instructions must be included on the purchase order. Include instructions such as: 3rd party billing to a separate address, curb side delivery, call before delivery (CBD), telephone numbers, residential delivery, inside delivery, and freight collect to the end user, or anything special to assist in the final acceptance of your order at its destination.

Sonoma Tilemakers has negotiated substantial discounts with dependable trucking companies. Except for certain expedited shipments, these discounts are passed on to your company. However, if you have a shipping arrangement with the same trucking company, your discount will take precedence over that of Sonoma Tilemakers. Your company may have an invoicing account with our trucking company, but no shipping arrangements. In this case, you may receive our discount. Contact your customer service representative for further information on freight bill discounts.

UPS/FEDEX SHIPMENTS

All UPS/FEDEX orders will ship freight prepaid and charges will appear on your invoice.

FREIGHT CLAIMS LTL

All Sonoma Tilemakers truck shipments are palletized. They are neatly stacked, then banded to reduce movement. The entire pallet is then shrink wrapped. Address labels are then adhered to the outside of the shrink wrap. Packing lists are placed in an envelope and attached to box # 1. If there are multiple orders on the pallet, each order will have a packing list.

At STM the original copy of the bill of lading is stamped with a notice: "do not break down pallet", "do not stack." Your pallet leaves STM in the above mentioned condition. **If any of the above is not true when shipment arrives, take written "exception" upon the delivery receipt and have the driver sign for your exception.** Inspect for damage and for missing cartons.

Please inspect and check your shipment thoroughly upon arrival. Every order has a packing slip attached to box #1 of the shipment. Review for damage and completeness of your order. **Damage, whether obvious or hidden, or shortages must be noted on the delivery receipt at the time of delivery in order for a freight claim to be filed.** Sole responsibility for damage or shortages rests upon the receiving company. **Do not refuse an order due to its condition.** Take written exceptions on the driver's delivery receipt. Follow your company's claim procedures to expedite the tile replacement at the trucking company's expense. Contact STM with a replacement PO for damage or loss. Hold all packaging materials for inspection by your trucking company.

UPS/FEDEX CLAIMS

When UPS/FEDEX shipments arrive damaged, concealed or visible, notify Sonoma Tilemakers immediately. We accept the burden of claims because we have prepaid the transportation charges. Retain all packaging material for inspection by UPS/FEDEX. Failure to do so will likely void the claim. Missing packages will be tracked, located, and forwarded by UPS/FEDEX. Contact your customer service representative for assistance.

GENERAL INFORMATION

PRODUCT CHARACTERISTICS

VARIATION

All our products are made with the intention that there is variation in shade, texture, hue and shading from piece to piece. Many of our tiles come in a range of shades. No single sample will accurately represent the full range of color variation. Once properly installed, the beauty of this handcrafted tile is enhanced by such variation.

The product delivered may vary from both the original sample, website, social media and catalog illustration. We do not warrant all tiles will be identical in color, shade and texture and specifically disclaim that part of any warranty of merchantability. Any samples sent out are only indications as to the character of the product, not to represent that the tiles will necessarily conform to the sample.

MEASUREMENTS

Due to size fluctuation in handcrafted tile, all measurements are nominal, or approximate.

CRAZING AND SCRATCHING

Due to the nature of ceramic tile and manufacturing processes, we make no guarantees against crazing or scratching. It is possible for glazed tiles to craze before or after installation. This is a natural characteristic of many glazes and in no way affects the quality or purpose of the tile. Over time, some wearing and scratching may occur with glazed tiles. Abrasive cleansers and other acids should be avoided. Care should be taken to install tiles where chipping and scratching are minimized.

INSPECTION & INSTALLATION

INSPECTION

We recommend that your tiles be laid out prior to installation to allow for blending of color range. Tiles should be pulled from several boxes at the same time to ensure even blending of the tiles, which may vary from box to box.

Be aware that you are responsible for determining the acceptability of the product prior to installation. Sonoma Tilemakers is in no way responsible for the installation of our tiles or thereafter.

Immediately Upon receipt:

1. Inspect all boxes for damage upon arrival.
2. Inspect all tile in all boxes.
3. Double check that you have enough tile to complete the project with some leftover. Take into account grout spacing and cuts. If you need additional tile, do not start the installation until you have it.

Any question regarding acceptability of the tile as to color, design, or quality must be resolved PRIOR TO INSTALLATION. We assume no responsibility or liability for any complaint or claim made as to color, design, or quality after the installation of the tile.

INSTALLATION

We ALWAYS recommend professional installation by an experienced installer. We shall in no way be responsible for the installation of our tiles or thereafter. We extend no guarantees, expressed or implied, as to tile slipperiness, wear resistance, breakage, or maintenance procedures. An experienced crafts person should lay out tile prior to installation to allow for blending of color range. Tiles should be pulled from several boxes at the same time to ensure even blending of the tiles, which may vary from box to box. Tiles should be set following the installation guidelines provided by the Tile Council of America. We recommend that installation follow the guidelines provided by the following sources:

TILE INSTALLER MUST REVIEW INSTRUCTIONS BEFORE INSTALLATION.

GENERAL INFORMATION

LIMITS OF LIABILITY & WARRANTY

LIMITS OF LIABILITY

Our responsibility is expressly limited to the replacement of goods proved defective. Glazed and unglazed products are not guaranteed against crazing, staining, chipping, scratching, absorbing, or loosening of setting bed. Sonoma Tilemakers' only obligation shall be to replace such quantity of product as agreed to be defective. Sonoma Tilemakers shall not be liable for any injury, loss or damage, direct or consequential, arising out of the use or the inability to use the product. There is no warranty for merchantability or fitness for purpose of the product. User shall determine the suitability of the product for his intended use prior to purchase. User assumes all risk and liability whatsoever in connection with the installation of the product.

DISCLAIMER OF WARRANTIES

We make no warranty as to the merchantability of these goods and will not be liable for any loss resulting from the use of these goods. SONOMA TILEMAKERS DISCLAIMS AND EXCLUDES ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR ANY IMPLIED WARRANTIES FOR ANY PARTICULAR USE OR FITNESS. Some states do not allow the exclusions of limitation of incidental or consequential damages of consumer products, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state.

AUTHORITY OF SONOMA TILEMAKERS' AGENTS

No agent, employee, distributor, or representative of Sonoma Tilemakers has any authority to bind Sonoma Tilemakers to any affirmation, representation, or warranty concerning the goods sold. Unless an affirmation, representation, or warranty made by an agent, employee, distributor, or representative is specifically included herein, it has not formed a part of the basis of this bargain and shall in no way be enforceable.

EXCLUSIVE RIGHTS

All designs named in our price list and catalog are the exclusive property of Sonoma Tilemakers.

DISCONTINUED ITEMS OR GLAZES

Sonoma Tilemakers, Inc. reserves the right to discontinue, without notice, the production of any product which can no longer be produced as designed. The policy is based primarily, but not exclusively, on fluctuations in the availability and the physical or chemical properties of raw materials.

GENERAL INFORMATION

PRODUCT & ORDERING INFORMATION

EUPHORIA

ORDERING PRODUCTS

All orders need to contain the following information to avoid any discrepancies:

- Euphoria orders must be placed on a separate PO with Euphoria products ONLY.
- Orders must be placed in a 1 square foot minimum.
- All orders will ship from the Euphoria factory in Colorado.
- We recommend ordering a minimum of 15% overage (sometimes more). Ordering overage is necessary to accommodate cuts, avoid add-on orders and delays to installations. A small percentage of breakage in transit should be expected.
- All other Standard Policies apply. For complete information, see the General Information section in price book.

SAMPLING

- In-stock samples in California include:
 - Swatch Cards showing 2 pieces of 2 x 4 or loose 2x4's at a 30% discount.
- Specific color/shape samples can be made to order with 1 square foot minimum. 2-3 week lead time and 30% discount apply. Custom sample orders are produced in Colorado and will ship from Colorado.

Consolidate / "Ship With" Orders

- No consolidations are available.

CANCELLATIONS

- No Cancellations will be accepted after 48 hours on special order product.
- All special order products (including Euphoria) are produced to order and cannot be returned.
- Standard STM policies apply.

TARGET SHIP DATES

- Lead times vary from 4-12 weeks based on current orders in the system and size of order.
