

JAPANESE TILE WORLD

SAWARABI

Evoking Frank Lloyd Wright's Imperial Hotel, this tile mirrors the intricate texture and robust character of its iconic scratch bricks.

MAINTENANCE

- First, clean tiles with a damp sponge or soft brush with plain water prior to utilizing
- If dirt persists, wipe the area with mild detergent and water on a sponge or soft brush. Rinse with clean water.
- Do not use acid or alkaline solution to clean tile.
- Do not use steel pads or brushes to clean tile as it may cause surface damage.
- Paint or graffiti can be removed using thinners.
- Consult professional service for more extensive cleaning needs.
