LOOM
PORTOBELLO

UnitedTile
INSPIRE · CREATE · ELEVATE

Loom transforms color into a tactile design experience. The relief surface achieves a matte finish with a soft, woven-like sensorial effect, while a coordinating plain option gives compositions space to breathe. Together, in vibrant 6x6 and 2x10 formats designed for mix-and-match, they turn color into a tool for contrast, rhythm, and expressive surface design.

STOCKED COLORS & SIZES

Colors:

Ash
Camel
Ecru
Forest
Linen
